v1 — Winner spotlight

Monday Bags, week [#] — done.

Your winners: **[NAME] & [NAME]** — drawn as strangers at sign-up, holding the pot by close. That's the whole thing: random partners, anybody's night. [ONE LINE OF COLOR: a clutch final throw / a first-timer who made the semis / the 4-Bagger that cleared the room].

Back at it next Monday. 7:30, sign up by 7. Pull up.

v2 — Energy framing (use when the crowd was small but fun)

That's how you do a Monday.

Bags flew. [COLOR DETAIL: the bar got loud for the final / someone's first night ended in the money]. Every week it grows — and every week it's a fresh draw, so come find your random partner next Monday.

7:30, sign up by 7, Clover River West. Walk in.

v3 — "You missed it" FOMO (use once nights are reliably good)

If you weren't at Monday Bags last night, here's what you missed:

[BEAT 1 — e.g. a 14-team bracket]. [BEAT 2 — e.g. a buzzer-beater final]. [BEAT 3 — e.g. [NAME] & [NAME] taking the pot]. Good news: it resets every Monday and the door's open.

Next one's this Monday. 7:30, sign up by 7. Pull up.
