Subject: Mondays just got a thing

Preview: Show up alone — we draw you a partner. Every Monday at Clover.

Hey —

Mondays at Clover River West have a new standing night, and it's the easiest one we've ever run: **Monday Bags**.

Here's the whole thing. You walk in. You put your name down. We draw you a random partner. You play a real double-elimination cornhole bracket. No team to bring, no partner to find — two ringers can't stack and run the table, so the person who's never thrown a bag might draw the best player in the room. Everybody's got a real shot, and everybody plays at least twice.

It's how our Wednesday Blind Draw Darts night became an 8-year staple. Now it's Monday's turn.

Ten bucks to play. Clover adds \$50. Winner takes the pot, second gets their buy-in back. A \$1 4-Bagger Pot runs all night on the side — music off, whole bar watching, carries over when nobody sinks it. Pair it with **Service Industry Night (40% off with a work ID)** and Happy Hour 4–7, and Monday stops being the worst night of the week.

Bring nothing but yourself. We'll handle the rest — including your partner.
